

# Ayersville Water and Sewer District

Resolution No. 1608.4 (August 18, 2016)

## Board of Trustees' Resolution Charging for Water Used to Extinguish Fires

**WHEREAS**, the Board of Trustees has the authority under O. R. C. Section 6119 and the Board Bylaws to manage the business affairs of the District;

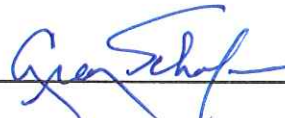

**WHEREAS**, the Board of Trustees has determined that the District has an obligation to collect payment from a homeowner for water consumed by Ayersville Voluntary Fire Department or any other fire departments to extinguish a fire caused by the homeowner's negligent or intentional action(s);

**NOW THEREFORE, IT IS RESOLVED** by the Board of Trustees of the Ayersville Water & Sewer District:

The Ayersville Water and Sewer District will charge a homeowner for water consumed by Ayersville Voluntary Fire Department or any other fire departments to extinguish a fire caused by the homeowner's negligent or intentional action(s). The fire department or the State of Ohio Fire Marshall will determine whether the homeowner's action(s) were negligent or intentional.
